Laura Goldman, DVM

Dr. Goldman was born and raised in St. Louis, MO. She attended Purdue University and received a Bachelor of Science in biology with a special interest in genetics in 2006. Dr. Goldman graduated from the Missouri College of Veterinary Medicine in 2010. Following her graduation, she did a one year rotating internship at VCA South Shore Animal Hospital. Dr. Goldman went directly from her internship to IndyVet in July 2011 as a full time emergency veterinarian working primarily night and weekend shifts.

Dr. Goldman spends most of her free time with her two dogs, Lily and Beau, taking them for walks and going to the dog park. Dr. Goldman also enjoys travelling and has seen most of the United States with her family. She has also visited Mexico, Canada, England, France and Paris. Her parents still live in her childhood home in St. Louis, and she has siblings living in California, Tennessee, Connecticut and London.
